

Verizon Wireless School Fundraising Program

Get your family on Verizon Wireless today— and your school wins too!

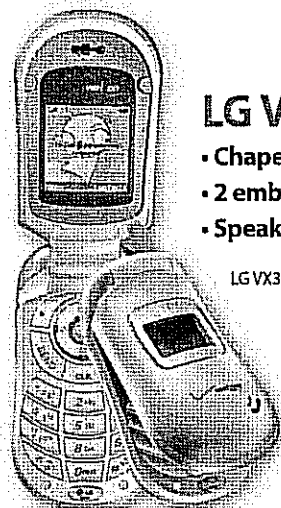

More and more, families are realizing the value of staying connected through wireless phones. Now you can stay connected on America's Most Reliable Wireless Network and contribute to your PTA or School Fundraising Organization in the process—just by signing up for a new line of service on a one- or two-year calling plan. For each new one- or two-year activation, \$25 will be paid to your organization. Please make sure to bring this flyer with you when you visit your Verizon Wireless retail store location to ensure that your service activation counts toward your organization's earnings.

\$25

will go directly to your PTA or school fundraising organization for each new one- or two-year activation.

A phone for everybody.
