Dear Interlake Families,

The 2010 Winter Olympics will be opening in Vancouver, B.C. which means that the Gunnerson family will be spending quality family time watching elite athletes compete. Arguably, one of my favorite sports is skeleton. What is skeleton? Well, imagine that you are dressed from head-to-toe in extremely slick material to make your body have as little drag as possible. You are standing at the top at what some might call an icy death trap but which you consider to be a racetrack. You fling yourself, stomach down, onto a sled reminiscent of the small plastic sleds used by children to enjoy on our infrequent (thank goodness) snowdays. You hurdle yourself down the track in hopes that you a) survive and b) get the fastest time. I, of course, am much too old to take up this sport but I can live vicariously in my role as avid crazy-winter sports fan.

Why all this talk about the Olympics? Well it brings to mind the fact that our community is preparing to celebrate the Olympics in our own, non-life threatening manner. I speak of course about our upcoming "Olympic Spirit" auction on Saturday March 27 at the Redmond Town Center Marriot. Let me extend my own personal invitation to come join in this event. It is the major fund raiser for our community and is also a whole lot of fun!! Come join me as I hang out with other parents in a relaxed, social setting that includes food, drink, and a wide assortment of auction items. And best of all, everyone wins at this event without taking any chance of slipping on a toboggan run and having to wear a body cast until the spring thaw.

Sincerely,

Kim Gunnerson

**EASY FUNDRAISING FOR INTERLAKE P.T.S.A.!!**

What if your school earned a penny every time you searched the Internet? Or what if a percentage of every purchase you made online went to support your school? Well, now it can!

GoodSearch.com is a new Yahoo-powered search engine that donates half of its users advertising revenue, about a penny a search, to the charities its users designate. Use it just as you would any search engine, get quality search results from Yahoo and earn money for Interlake each time you do!

GoodShop.com is a new online shopping mall which donates up to 37 percent of each purchase to its charities. Hundreds of great stores including Amazon, Target, Gap, Best Buy, ebay, Macy's and Barnes & Noble have teamed up with Goodshop and every time you place an order you'll be supporting the Interlake P.T.S.A.

Just go to www.goodsearch.com and be sure to enter Interlake P.T.S.A. as the charity you want to support. And, be sure to spread the word!! It's just so easy!!
Dear Interlake Families,

I would like to take this opportunity to share some important upcoming events at Interlake. We will be administering the High School Proficiency Exam for all 10th graders on March 16-18 and April 13 and 15. The March session will test the students on reading and writing, and the April test will be on math and science. OSPI will provide results to Interlake High School staff and parents in June of this year. Scores will measure student performance relative to the standard set for each subject and will provide information on strengths and weaknesses within a given subject. We will revise our bell schedule during these weeks of testing in order to provide the best testing environment for all of our students. Please be aware when making spring plans and student appointments, it is imperative that students attend school daily and on time during this testing period. All tenth grade students (and juniors/seniors who have not yet passed the former WASL) must take this assessment and there will be no make-up days for absences. Students absent during this period will need to make up the test in August. Please see the article later in this issue for more information.

We have already begun our registration process for next year. Our incoming eighth grade students have visited and toured Interlake. Registration materials have been distributed to all current Interlake students. This year, Interlake is practicing being a “green” school by distributing Course Guides electronically. They may be found online at the district and school web sites. Hard copies are available in the counseling center. Students will meet with his or her counselor to answer questions and ensure they are registered for appropriate courses. If you have individual questions regarding registration, please call the counseling center at 425-456-7231.

This year, Dr. Cudeiro has challenged the district to look critically at how we are implementing the district’s mission of “providing all students with a top-of-the-line college preparatory experience.” Specifically, schools—including Interlake—have been examining how we are meeting the needs of the students who have traditionally struggled as well as the needs for those who are clearly demonstrating that they are currently exceeding the standard. Looking at data and researching best practices, each school has been asked to identify an instructional target to help it meet the two district goals. After looking at the unique needs of Interlake students, our staff has chosen to work on engaging all students in a rigorous and relevant curriculum. While we want to make sure every student is engaged in school, we want to do so in a manner that both requires higher levels of student thinking (the rigor) as well as opportunities to apply their learning to real-world situations (the relevancy). We are in the process of beginning this journey. As we collect data on the effectiveness of the work, I will share it with you.

I am looking forward to a successful end of the year. As always, please feel free to call me if you have questions, comments, or concerns.

Sincerely,

Russell White

Other Information from the Principal’s Office...

Student Information Updates
Please keep us informed of any changes in phone numbers, addresses, emergency contacts, etc. Work numbers and emergency phone numbers are extremely important when a student has been injured or becomes ill and someone needs to be reached immediately. Please designate a friend or neighbor that we can call if you are unable to be reached. If you have information that you need to change on your student’s information card, please contact the school registrar at 425 456-7205.

Fire Lanes
We are still experiencing problems with people parking in the red zone after school hours. PLEASE do not use the fire lanes to park even if you are just entering the building for a few minutes.

Student Messages & Deliveries
In order to significantly reduce the disruptions to classrooms and the learning process of our students, we are requesting that parents limit requests for delivery of messages or items to emergencies only.

If it is not possible to schedule a doctor’s appointment outside of the school day, please provide your student with a note indicating the time that the student will be picked up. This note should be brought to the attendance office no later than 7:25 a.m. the day of the appointment. The attendance secretary will provide your student with an early dismissal slip. Homework, lunches and other items may be left in the attendance office for students to pick up.

Reminder: Traffic Flow Guidelines

- Drop students off between 7:00 and 7:15.
- The best location for student drop-offs is the main entrance off 24th Street. Access the main entrance from the West and exiting to the East.
- Avoid dropping students off in the student parking lot (off of 164th Ave. NE). If you do choose this location, please drive all the way to the end—behind the school—before dropping off your student. Parents should not stop in the middle or pull into a parking spot. Cars stopping to drop off students or backing into the traffic slows the entrance of staff and students and creates a safety hazard. When leaving, parents should exit South on 164th Ave. E (to the right).
- Parents should wait to pick up students in front of the school only and should access this area off of NE 24th Street. Due to the amount of students staying after school for Tutorial, clubs, sports and other activities, the amount of traffic at a given time is reduced.
- Do not drop your student off on any of the major streets (24th or 164th).

March is the music department’s very busy festival season. As we enter our music festival season, the directors want to thank all the students for working hard to prepare for the Solo and Ensemble contests. Their dedication and hard work makes them better musicians and elevates the quality of each ensemble. The directors also want to thank the music parents for their continued support. Each of the King-Co festivals will feature the 13 schools that are in our Eastshore League. All ensembles go to a festival where students perform as an ensemble, receive a critique, attend a clinic and listen to other schools perform. The adjudicator feedback is very informative. The Eastshore jazz festivals occurred in November.

Ovations
The Eastshore Solo and Ensemble Contests took place on January 30th and Interlake has the following winners who will compete in the State Solo and Ensemble Competition April 23rd-24th in Ellensburg. The winners in instrumental solos: Calvin Chan (cello), Mason Ji (oboe), Andrew Nelson (alto sax), and Michael Zhang (clarinet). In ensembles, we have a winning duet: the Interlake Clarinet Duo - Colin Wick (clarinet) and Michael Zhang (clarinet).

Congratulations to the following students who were selected as first alternates in the solo division: Teresa Jiang - (viola) and Brandon Matsumiya (euphonium). In ensembles we have the Interlake Brass Quartet - Nick Brockmeyer (trombone), Aly Girton (bass trombone), Daniel Gorrie (euphonium), Liz Norton (tuba). The winners of the solo contests will compete in the State Solo contests in Ellensburg on Saturday, April 24th. The winners of the ensemble contests will compete in the State Ensemble contest on Friday, April 23rd.

Congratulations to the following students for being nominated and selected to participate in a new Eastshore honor band: Ben Dysart (percussion), Patrick Harvey (trumpet), Brandon Matsumiya (euphonium), Andrew Nelson (alto sax), Colin Wick (clarinet) and Michael Zhang (clarinet). These students will rehearse and perform with students from the other 12 schools in the Eastshore League in early March.

The two Jazz Bands are preparing for a very busy Jazz Festival season with three of four festivals remaining. In the first Jazz Festival of the new year, the Central Washington University’s Moawad Jazz Festival, the following students received outstanding jazz soloist awards: Dylan Lewis (tenor sax), Lizzie Norton (piano), Rosa Orlowski (alto sax), Vu Tran (alto sax); Colin Wick (tenor sax) Cole Ziegler (bass guitar). Both Jazz Ensembles received excellent comments from the adjudicators at this non-competitive festival.

Interlake Music Trips
The music department has four big trips planned for April, late May and early June. The Jazz Choir travels to the Powell River Vocal Summit April 23rd-25th in Powell River, BC. This is a large concert and jazz festival with participating choirs coming from all over the Pacific Northwest. The Jazz I Band travels to Reno where they will perform in the Reno Jazz Festival the same weekend, April 23rd-25th. Students will compete, attend workshops and clinics, as well as listen to concerts.

Mandatory Meetings for Orchestra’s New York City Trip, and Band’s Disneyland Trip
There will be a mandatory meeting on Wednesday, April 28th for ALL chaperones and ALL students who are going on either the Orchestra New York City trip at the end of May, or the Band Disneyland trip in June. The band meeting will be held in the Interlake Commons at 7pm. The Orchestra meeting will be held in the Band room at 7pm. We have scheduled these meetings to be the same night to avoid confusion.

ADDED CONCERT! Chamber Orchestra Concert, April 14th
There will be a Chamber Orchestra Concert on Wednesday, April 14 at 7:30 p.m. The orchestra will be performing with the Academy of Music Northwest and the eminent violist Paul Coletti. Justin Almanzan, Interlake graduate, will also return to Interlake to play the Telemann Double Viola Concerto with Mr. Coletti and the orchestra. All are invited and welcome to attend.

Interlake Drama

Interlake Drama is proud to present our spring musical *Footloose* on April 29th-30th at 7:30pm with a matinee performance on Saturday, May 1 at 1:30pm.

“FOOTLOOSE, one of the most explosive movie musicals in recent memory bursts onto the live stage with exhilarating results. When Ren and his mother move from Chicago to a small farming town, Ren is prepared for the inevitable adjustment period at his new high school. What he isn't prepared for are the rigorous local edicts, including a ban on dancing instituted by the local preacher, determined to exercise the control over the town's youth that he cannot command in his own home. When the reverend’s rebellious daughter sets her sights on Ren, her roughneck boyfriend tries to sabotage Ren’s reputation, with many of the locals eager to believe the worst about the new kid. The heartfelt story that emerges is of a father longing for the son he lost and of a young man aching for the father who walked out on him. To the rockin' rhythm of its Oscar and Tony-nominated top 40 score and augmented with dynamic new songs for the stage musical, *FOOTLOOSE* celebrates the wisdom of listening to young people, guiding them with a warm heart and an open mind.”

Booster Club President’s Letter

Hello Saints Fans!

A shout out to Saints fans for the encouragement you give our kids to be a part of the Interlake Saints Sports Community! Winter has been a blast, and I am not just talking about the record cold snap we had in December. Saints’ Basketball, Gymnastics, Boys Swim, Wrestling, along with Drill and Cheer, have been snapping records and building character in our kids.

Regarding character, we are taking nominations for the “Ultimate Saint” Booster Club award for an outstanding person who has enhanced the athletic experience for the Saints. This award will be presented at the March 27th Auction. Last Year the Booster Club was proud to present the award to Sara Grandstrand our wonderful Athletic Trainer and Gymnastic Coach. Please drop me a note at Michael.mueller@affiliatedfm.com with nominations for this year’s award.

The Auction is on March 27th at the Redmond Marriott. This is one FUN event with plenty of time to exchange pleasantries with fellow revelers and see some great items donated by our community, students, parents, and staff. If you haven’t already, please buy your tickets through the auction links at www.interlakesaints.org.

Our Auction Committee and legion of volunteers led by Pam Farber and Cindy Mueller is doing a terrific job, but we need your help to make it successful. Contact Pam or Cindy to help with the auction preparation, and we really need your help by attending the event. Please join me and bid up those great auction items and raise your paddle for a tax deductible donation during the “fund an item” portion of the auction.

The Auction is our once a year main combined fundraiser benefiting Booster Club, PTSA, and Music. Examples of recently funded items by the booster club include a tent for Cross Country Team, cheer mats for the Cheerleaders, Boys Basketball uniforms, a rebounding machine for Girls Basketball, warm ups and tights for Wrestling, replacing worn-out and unsafe equipment for Football, a multi-person outdoor water station, raincoats for Drill, landing mats and an updated spring floor for Gymnastics to replace a floor with dead spots, portable defibrillator, and supporting the cost of camps for many of our teams. The Booster club funds about half the cost of Athletics at Interlake, and our continued support is crucial.

Booster Club is here to enhance the athletic experience of our children, and we want to thank all the wonderful people who continue to give their time, talent and/or treasure generously. We really have a terrific group here who care deeply about our Interlake community, and we can always use your help.

Please continue your great support for our teams at Interlake by attending games and meets and helping out where you can. Please come to a Booster Club meetings, which are generally held on the 3rd Monday of every month during the school year (except if they fall on a holiday or break) at 7:00pm in the Horticultural Center at IHS.

Go Saints!
